Completed Issues

[View in Issue Navigator](#)

Key	Summary	Issue Type	Priority	Status	Story Points (39)
HID-7	Upload ML algorithm code onto Jira Documents Page	Task	Highest	DONE	-
HID-16	Develop Image Classification ML Algorithm	Task	Medium	DONE	-
HID-21	Create a video showing our MVP demo	Task	Medium	DONE	-
HID-23	Develop illness prediction image upload page	Task	Medium	DONE	-
HID-24	Develop illness result page	Task	Medium	DONE	-
HID-30	As a user, I want to be diagnosed by the SYMCheck web application so that I can gain a cursory understanding of what might be causing my symptoms/what the potential recommendations might be	Story	Medium	DONE	1
HID-31	As a user, I want to upload a photo/image of my symptom/affected area/illness so that the SYMCheck application can diagnose me and I can gain insights as to what I might be afflicted with	Story	Medium	DONE	3
HID-32	As a user, I want to be sure that my image has been uploaded successfully so that I can be sure that the image will be processed by the application so that I can receive recommendations for my care	Story	Medium	DONE	3
HID-33	As a user, I want to submit my image for assessment so that I may receive a[n accurate] determination of my affliction as well as recommendations for care	Story	Medium	DONE	8
HID-34	As a user, I want to know if I am in a critical condition or in need of immediate medical attention so that I am able to seek medical care as soon as possible if there is no time to waste!	Story	Medium	DONE	1

Sprint Report

HID-35	As a user, I want to find the nearest emergency room so that I can seek immediate medical condition for what I deem to be an extremely critical/dire/time-sensitive condition	Story	Medium	DONE	3
HID-37	As a user, I want to know what my symptoms indicate/what my affliction might be so that I can gain an understanding of what might be causing my symptoms, and thus make an informed decision	Story	Medium	DONE	5
HID-38	As a user, I want to know what information I can obtain about this/any illness I might potentially have so that I can gain an understanding of what might be causing my symptoms, and thus make an informed decision on how best to go forth with my care	Story	Medium	DONE	5
HID-39	As a user, I want to know whether or not I should see a doctor so that I can gauge how much of a PRIORITY a visit to a doctor/medical facility is based on the general nature of my symptoms/illness/affliction	Story	Medium	DONE	5
HID-40	As a user, I want to find the nearest emergency room so that I can receive immediate medical attention if it is deemed necessary	Story	Medium	DONE	3
HID-41	As a user, I want to receive another diagnosis for another affliction/repeat the diagnosis for this one so that so that I can upload another photo/set of symptoms for a different or the same illness (i.e. for confirmation of the latter)	Story	Medium	DONE	1
HID-43	As a user, I want to be aware of the quality/accuracy of the results given relative to those from a medical facility/medical professional so that I do not forget that all results are simply cursory recommendations based on past data	Story	Medium	DONE	1
HID-50	Create Deliverable 4 PowerPoint Presentation	Task	Medium	DONE	-
HID-51	Create a user manual for using SymCheck application	Task	Medium	DONE	-
HID-52 *	Create installation guide for running our project on localhost	Task	Medium	DONE	-
HID-53 *	Complete test cases with actual results	Task	Medium	DONE	-
HID-54 *	Update GitHub page	Task	Medium	DONE	-
HID-55 *	Finish draft technical paper	Task	Medium	DONE	-
